

THE SCOTTISH TERRIER CLUB INC COMPETITIONS

The Scottish Terrier Club Inc (STC Inc) runs two competitions each year

- The Point Score Competition
- The Challenge Competition

The competitions are open to *STC Inc* members only.

The aim is to get many Scottish Terriers in the ring, particularly at selected shows.

The Scottish Terrier must be owned or part owned by a STC Inc member.

The winners are presented with a Banner at the Christmas Lunch and Awards Presentation.

THE POINT SCORE COMPETITION

There are 12 Point Score shows each year - nominated and voted on at a General Meeting.

This number is made up from 3 STC Inc Shows (traditionally held each year at Easter, in August, and October) and 9 All Breeds Championship Shows.

The annual Point Score shows are displayed on the STC Inc website and advertised in STC Inc newsletters. The selection of the 9 Championship shows including venues, and dates for all 12 shows will vary in some way each year.

The scores are calculated from each nominated Point Score show marked catalogue signed by two STC Inc members present on the day of the Point Score show.

- Marked catalogues will be kept for a maximum of two years by the Point Score Steward.
- To view a marked catalogue, a request is to be made in writing to the Point Score Steward.
- Inquiries regarding scoring for a particular show are requested as soon as possible after the show in question.

The winner of each category is determined by the highest number of points awarded as per the "Guidelines for Scoring".
