## SCOTTIE SURRENDER FORM

### AGREEMENT

Thank you for letting us rehome your Scottie. We take every care as Scottie owners to place our rescues in the right home with people that will love and care for them.

We will not charge you for the surrender unless you are a long distance from us and you have to send the Scottie by road or air travel. We do not buy Scotties. We will not be involved if you want to sell your Scottie. Please supply us with the Scottie's registration papers and micro chip certificate and sign the backs to say there is a change of ownership.

If you have the Scottie's pedigree, please supply this or a copy.

The Scottie's health records would also be very helpful to the new owners if you can obtain them.

The Scottie's belongings such as their bed, collar/lead, toys and feeding bowl would be appreciated to ensure the Scottie has familiar things around them.

Please let us know if you would like an update on the Scottie progress with their new owner.

Please sign the following to declare that you are the legal owner of the Scottie and that you are transferring ownership to Scottie Rescue NSW for re-homing.

I/we	Address

I/we declare that I/we are the legal owners of the Scottie (name)

I/we are aware that by signing this document we are transferring ownership of the Scottie to Scottie Rescue NSW on a permanent basis. I/we certify that the information provided to Scottie Rescue NSW is accurate to the best of my/our knowledge. I/we hereby certify that to the best knowledge and belief that this Scottie has never seriously bitten or injured a human being or other animal. I understand for the unlikely reason we may not be able to re home the surrendered Scottie because of serious health or temperament reasons the Scottie Rescue of NSW has the right to dispose of the Scottie at their discretion and humanly by a qualified veterinarian
